**CITY COUNCIL MEETING DATE:** December 2, 2009

**DEPARTMENT:** Public Works

**ITEM DESCRIPTION:** Amendment No. 1 to Agreement No. 100118-LD, Engineering Design Services Agreement for Bonneville/Clark One-way Couplet

---

On November 19, 2003, City Council approved agenda item # 35 for the award of an agreement with Kimley-Horn and Associates, Inc. to provide engineering design services. The original agreement provided a design to convert Bonneville Ave. into an eastbound one-way road from 1<sup>st</sup> Street to Maryland Parkway, convert Clark Ave. into a one-way road from Charleston Blvd. to 1<sup>st</sup> Street, convert 1<sup>st</sup> Street into a southbound one-way road between Clark Ave. & Bonneville Ave. & widen Bonneville Ave. from Main Street to 1<sup>st</sup> Street. The design will include landscaping, streetscaping, utility relocations, drainage improvements and roadway & traffic signal improvements. The project was placed on-hold by the City of Las Vegas and the Scope of Services were amended resulting in an increase in cost to Kimley-Horn and Associates, Inc. The new Scope of Services will convert Bonneville Ave into an eastbound one-way road from 1<sup>st</sup> Street to Las Vegas Blvd, convert Clark Ave. into a westbound one-way road from Las Vegas Blvd to 1<sup>st</sup> Street, convert the alleyway between 1<sup>st</sup> Street and Casino Center Blvd into a southbound one-way road between Clark Ave. and Bonneville Ave. and will widen Bonneville Ave from Main Street to the alleyway between 1<sup>st</sup> Street and Casino Center to provide 2 lanes of traffic in each direction.
